

SEATTLE'S UNION GOSPEL MISSION

BENEFITS SUMMARY AUGUST 1, 2017 THROUGH JULY 31 2018

Seattle's Union Gospel Mission is pleased to provide a variety of healthcare benefits, retirement planning and paid time off to its employees. For more detailed information on the current benefits offering (effective 8/1/17 through 7/31/18), please refer to the **2017 Benefits Enrollment Guide** available on the Mission intranet site or obtain a copy from your People Care Representative. Please review this summary carefully as benefits eligibility is based on an individual's employment status.

BENEFITS & PAID TIME OFF AVAILABLE TO REGULAR/FULL-TIME EMPLOYEES

Medical and dental benefits are made available to Regular (non-Temporary) Full-time employees (those working at least 30 hours per week) and their immediate dependents. Coverage eligibility under the Mission's group healthcare plan will begin on the first day of the month following 30 days of employment (from date of hire).

*Note: Regular Part-time or Temporary status employees who transition to Regular Full-time status **and** have already completed 30 days of employment will be eligible for healthcare benefits on the first day of the month following the effective date of the status change.*

Medical Plans

The Mission offers a choice between two provider networks and two medical plans – four options! Healthcare benefits-eligible employees and their immediate dependents (spouse, domestic partner, and children up to age 26) can enroll in the PPO (low deductible) plan **OR** the HDHP (high deductible) plan. The HDHP includes a Health Savings Account (HSA). You choose between the *Premera Heritage Prime* provider network or the *Premera Heritage Plus* provider network in WA state and Blue Cross/Blue Shield providers nationwide.

Calendar Year Deductible	Premera PPO <i>Low Deductible</i>	Premera HDHP with HSA
Per Person	\$1,000	\$1,300
Maximum Per Family	\$3,000	\$2,600 family aggregate
HSA Contributions from Mission	N/A	\$1,000 individual \$2,000 family
Maximum Per Family	\$6,000	\$10,200 family

* Under the HDHP plan, even if a plan participant has met the individual deductible and/or out of pocket maximum, the deductible or out-of-pocket maximum will continue until the aggregate amount has been satisfied.

Dental Plan

Regular Full-time status employees and their dependents can enroll in dental benefits through Delta Dental of Washington. Although you can go to any dentist of your choosing, your plan year maximum will stretch farther if you go to a Delta Dental "preferred" dentist who offers greater discounts on their usual fees than that of a Delta Dental "premier" dentist. If you go to a non-participating provider, your cost will likely be much higher and you will be required to submit your claim directly to Delta Dental for reimbursement.
