## Seattle's Union Gospel Mission Statement of Faith Agreement

Serving those in greatest need is how we put our faith into action. We serve anyone in need regardless of their religious beliefs or backgrounds.

We affirm our Christian identity with the following statements:

- We believe the Bible to be the inspired, the infallible, authoritative Word of God.
- We believe that there is one God, eternally existent in three Persons; Father, Son and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father and in His personal return in power and glory.
- We believe that for the salvation of lost and sinful men, regeneration by the Holy Spirit is absolutely essential.
- We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- We believe in the bodily resurrection of the just and unjust, the everlasting blessedness of the saved and the everlasting conscious punishment of the lost.
- We believe in the spiritual unity of believers in Christ.

- Yes, I support the Mission's Statement of Faith and will not teach or promote beliefs contrary to it.
- No, I cannot support the Mission's Statement of Faith.
- I have reservations about some aspect of the Mission's Statement of Faith and would like to discuss this before fully committing to a High Impact Volunteer role.
