Our Offerings

OAKS RECOVERY PROGRAM
This 12 month, residential recovery program is designed to help women and children caught up in cycles of abuse and addiction break free from destructive behaviors and relationships through the power of Jesus Christ. The program emphasizes both a skills based and relational approach to healing as women gain the tools and experiences to live out God’s grace in their families.

EXTENDED CARE PROGRAM
Offers impactful care to 12 individuals coming out of the hospital who need a safe place to move forward with medical treatment but have nowhere to go. The program provides trained staff, space, and programming to support women in this process.

SERVICES
Living accommodations free of charge while in program, including:
• Three meals served each day
• Case management
• Counseling and parenting groups
• Drug & alcohol recovery support
• Domestic violence healing
• State certified OP/IOP

INTAKE PROCESS
Call (206) 628-2008 at 8:30am, Monday through Friday to check availability.

Invest in Hope

Volunteer
Come be part of helping women and children find hope. Volunteer on a regular or ongoing basis to serve a meal or walk alongside guests as a tutor or mentor. Check out ugm.org/volunteer!

Donate
Hope Place is funded by your generosity! Call (206) 723-0767 to donate money or goods. Visit ugm.org for more information.

Corporations & Restaurants
Organize groups of 8-25 volunteers from your restaurant to BAM (Bring a Meal) once a month—small groups and youth groups love this too! Learn more at ugm.org/BAM.

Churches
Commit to mentoring a guest, teaching a class, or opening up a transitional home for women at one of your sites. Connect with staff who will equip you with the necessary training to make a difference!

Oaks Recovery Program

CANDIDACY
After arriving at Hope Place, individuals participate in a series of assessments to determine how our staff can best support them. Then they are invited to take steps towards fulfilling other formal recovery program requirements.

INTERNAL HEALING (PHASES 1-2)
The first two phases are designed to walk women through classes, curriculum, and experiences which allow them to accurately identify places of brokenness that are keeping them in bondage, and give them the resources and skills to move towards healing.

STABILIZATION

EXTERNAL COMMUNITY CONNECTIONS (PHASES 3-4)
These phases are patterned to build on the outcome of the renewal found in the first part of the program with attention given to job development, family reunification, and outside support. The fruit of earlier healing results in greater movement towards community in relationships, the workplace, and service.

Core classes for all 4 phases of the Oaks Program: Bible, Parenting, Smoking Cessation, CD support, Community Life Skills, and IOP/OIP, along with EDUCATION CENTER: GED Prep, CPU Skills, College/Career Prep, Resumes, etc.

Other Curriculum offered for all women at Hope Place: Team Mission, Mixxed Fit, Art Class, and Journaling.

Children
Hope Place cares about our children. We offer counseling for youth up to 18 years old, an after school tutoring program, Bible study, Day Camp in the summer, as well as Kids Choir.

Women and Children’s Ministries Oaks Recovery Program

Graduate Options

TRANSITIONAL LIVING & AFTERCARE
We are committed to mentoring individuals after they graduate from Hope Place. All graduates benefit from continued staff support, vouchers for setting up their next home, holiday baskets, and alumni events. Oaks Program graduates are also eligible to apply to live at a transitional site operated by the Mission or a church partner for up to 2 years while enrolled in school or employment. Here graduates receive additional case management support as they utilize their recovery tools in their new season of life.

GRADUATE INTERNSHIP PROGRAM
This year long residential program equips graduates for ministry by providing transformative internships, biblical classes, and case management for further fulfilling God’s call upon their lives.
