OUR STEWARDSHIP
For us, the real measure of our financial success is in the numbers of people who are helped and whose lives are changed. That means, gifts to the Mission are very real investments in neighbors in our community.

WHO WE ARE

We’re a passionate community of people who follow Christ in his relentless, redeeming love for all people.

Relationship is key in all we do. We seek to be a consistent friend to those who are isolated and in need. We go where people live, listen to their stories, and regularly connect with each person to provide emergency care and invite them into our recovery programs.

Our goal is to inspire hope, bring healing, and point people to a new life through Jesus Christ.

OUR MISSION

“To serve, rescue and transform those in greatest need through the grace of Jesus Christ.”

Seattle’s Union Gospel Mission started in 1932 to feed and care for those suffering from the Great Depression. From a simple, borrowed soup kettle, we now serve and care for thousands of homeless and hurting people each day throughout King County.

Motivated by our Christian faith, the Mission provides extensive 360-degree support and recovery services for homeless men, women, and children throughout King County.

For more than 85 years and as God allows us to continue, we are King County’s first response for homelessness.

WHAT WE DO

SEARCH & RESCUE

Every night of the year, we go into the darkest parts of Seattle to connect people with life-saving assistance.

WELCOME & EMBRACE

We’re here for anyone who needs a hand! We connect everyone who comes to the Mission with hot meals, safe shelter, and other critical essentials.

PROVIDE & SERVE

We provide homeless people with access to much needed professional services that many of us take for granted, removing barriers to a new start.

HEAL & RECONCILE

Our long term addiction recovery programs provide the physical, mental, and spiritual healing people need to rebuild relationships and reengage with society.

RESTORE & EQUIP

Transformation from systems dependence to independence requires retraining of both practical and life skills. We help connect our guests to life changing opportunities.
