“When you see something you could do and it is right there in front of you, God must be speaking action into your life. He has given you all you need to fulfill that need...go do it!”

A volunteer tutoring at Hope Place, our women's recovery program.
Through the grace of Jesus Christ, Seattle’s Union Gospel Mission rescues, serves, and transforms the lives of those in greatest need. None of this is possible without our volunteers.

Mission volunteers, through their service and by the grace of God, literally save and transform the lives of the men, women, and children we are blessed to serve. The volunteers themselves also experience transformation as they see God using them to bring hope and healing to a hurting world.

Whether it’s serving meals, going on Search & Rescue, peer-to-peer tutoring, leading a Bible study, or helping in hundreds of other ways, volunteering at the Mission is a great way to be the hands and feet of Jesus and to connect with people He loves and wants to reach.

As a volunteer, you will be blessed emotionally, socially, and spiritually as you see God work miracles you’ve possibly only read about but long to experience firsthand.

If you feel called to help, but don’t see opportunities currently featured at the Mission that resonate with you, give us a call anyway—we would love to explore other ideas with you.

We want, and look forward, to partnering with you. Without you, we simply cannot do what God has called us to do.
