The Mission offers extended care for homeless men and women with severe medical issues. We will help you gain the physical, mental, and spiritual recovery needed to create new ways to cope and develop a new pattern of living.

- Access to a bed 24 hours a day
- Access to a shower and personal hygiene materials
- Case management
- Scriptural study and spiritual support
- Encouragement to join our recovery programs
- Celebration of personal and communal accomplishments
- Legal support and advocacy
- Money management and credit repair
- Dental services

Are you recovering from an accident, illness, or operation and need a safe place to stay?
What can you expect?
A multidisciplinary approach by a case manager well-informed about the unique challenges faced by homeless individuals. We provide patient-centered extended care, community resources, local agencies for housing, employment, and legal assistance. Case managers will play an integral role in your health and well-being, helping you move toward employment and housing.

How long does aftercare last?
Since every person’s situation is different, the amount of time spent in the extended care program will be different. Men and women stay with us anywhere from a few days to a little over a year.

How do I get in?
For men, intakes are at our Men’s Shelter Tuesdays and Thursdays 9:30-11:30am. Call ahead to reserve a time, or come into the Men’s Shelter and ask for an intake interview. You’ll have the opportunity to ask any additional questions you may have during intake. Additional documentation may be required for the completion of the intake process. If there is a bed open, the case manager will extend an offer for you to join the program.

To enter Extended Care for men:
Get in touch with Dru from our Men’s Shelter at dlee@ugm.org or (206) 723-0767 ext. 452

For Extended Care for women:
Get in touch with Zakiya from Hope Place at zrobinson@ugm.org or (206) 628-2008 ext. 158
